

# ACCOUNTING INTERN

## Position Description

Beacon is seeking detail oriented individuals with basic accounting knowledge, a strong desire to learn, and the ability to work both on a team and independently. Interns will work with all levels of staff to complete tasks and training will be on the job.

## Company

For the past 20 years, Beacon Funding Corporation has been providing equipment financing solutions to all types of organizations, new and established, throughout a variety of industries in the United States and Canada. Headquartered in Northbrook, Illinois, Beacon's nationwide sales and support team is close and accessible to its network of equipment vendor partners and business client base.

*Our Focus* Equipment manufacturers are faced with intense economic pressures. Equipment payment options need to be flexible, innovative, and competitive to allow companies to acquire the technology they need to grow and prosper. As a result, today's equipment manufacturers partner with financing companies like Beacon.
