

CREDIT ANALYST/COLLECTIONS SPECIALIST

Position Description

The Credit Analyst will be responsible for account collection, contacting delinquent accounts to resolve overdue payment, and reviewing terms of sale. The analyst will perform account analysis, review paying habits of customers and make recommendations regarding account status.

Company

For the past 20 years, Beacon Funding Corporation has been providing equipment financing solutions to all types of organizations, new and established, throughout a variety of industries in the United States and Canada. Headquartered in Northbrook, Illinois, Beacon's nationwide sales and support team is close and accessible to its network of equipment vendor partners and business client base.

Our Focus Equipment manufacturers are faced with intense economic pressures. Equipment payment options need to be flexible, innovative, and competitive to allow companies to acquire the technology they need to grow and prosper. As a result, today's equipment manufacturers partner with financing companies like Beacon.

Job Responsibilities

- Running credit reports
- Gathering trade and bank reference information
- Preparing cash receipts information for deposit and fax information to Northbrook
