

SENIOR ACCOUNTANT

Position Description

The Senior Accountant functions as a supervisor and trainer who tracks daily activity, prepares month-end reporting, recommends and implements procedures, and handles a wide range of accounting and analytical duties. Must have accounting experience and the ability to work independently.

Company

For the past 20 years, Beacon Funding Corporation has been providing equipment financing solutions to all types of organizations, new and established, throughout a variety of industries in the United States and Canada. Headquartered in Northbrook, Illinois, Beacon's nationwide sales and support team is close and accessible to its network of equipment vendor partners and business client base.

Our Focus Equipment manufacturers are faced with intense economic pressures. Equipment payment options need to be flexible, innovative, and competitive to allow companies to acquire the technology they need to grow and prosper. As a result, today's equipment manufacturers partner with financing companies like Beacon.
