

WEB DEVELOPER

Position Description

A Web Developer will work as part of a small development team designing, building, modifying and maintaining secure, moderately complex database applications and interfaces, web-based applications, and software on existing and new web applications.

Company

For the past 20 years, Beacon Funding Corporation has been providing equipment financing solutions to all types of organizations, new and established, throughout a variety of industries in the United States and Canada. Headquartered in Northbrook, Illinois, Beacon's nationwide sales and support team is close and accessible to its network of equipment vendor partners and business client base.

Our Focus Equipment manufacturers are faced with intense economic pressures. Equipment payment options need to be flexible, innovative, and competitive to allow companies to acquire the technology they need to grow and prosper. As a result, today's equipment manufacturers partner with financing companies like Beacon.
