

# Improve Cash Flow

## Preferred Client Programs

*Financing programs designed to help our preferred clients enhance cash flow.*

**beaconfunding**  
equipment financing solutions

### Add New Equipment

If you are looking to add new equipment but are not excited about increasing your payment, perhaps Beacon can help. For our existing clients, Beacon may be able to combine your current obligation with your new equipment and offer a single monthly payment amount lower than that of two individual agreements.

### Consolidate and Save

If you have multiple finance agreements with Beacon and would like to add equipment, you may be able to improve your company's cash flow by consolidating your obligations. For many of our clients, consolidated monthly payments are lower than the sum of individual monthly payments. Call today to see how much you can save.

### Sale-Leaseback Equals Extra Cash

Beacon may be able to use the equity in your "free and clear" equipment to put cash back in your business. Additional cash can be used to buy supplies, make improvements, or pay off other higher cost debt.

### Benefits

- Add new equipment without additional cash expenditures
- Add new equipment and minimize any increase to your monthly payment obligation
- Simplify monthly invoicing
- Improve cash flow
- Quick and convenient application process

### Procedure

- To inquire about how you may be able to improve your cash flow, contact your Beacon Funding financing consultant today. Alternatively, you can contact Beacon at **(800) 866-6396** or online via [www.beaconfunding.com/contact/contact.aspx](http://www.beaconfunding.com/contact/contact.aspx).
- All deals subject to credit approval. Sale-leaseback, consolidation, and/or add on programs may not be available for clients with delinquent payment history.
- Sale-leaseback, consolidation and add on programs are typically best suited for clients that put money down at signing or who have made at least 18 scheduled monthly payments.
