Program Details

By completing a simple, one-page credit application, get pre-approved to finance your next equipment purchase! With your pre-approval in hand, shop for equipment with the comfort of knowing how much you can afford.

Your equipment pre-approval will contain the following information:

- Maximum amount to finance
- Total initial cash required
- End-of-term option (if applicable)
- Monthly payment estimate
- Maximum financing term (in months)
- Other costs or fees

Example: "You are pre-approved for a \$15,000 equipment lease with no down payment required, an estimated monthly payment of \$300, first and last payments due at signing, 60-month term, and a 10% purchase option."

A pre-approval is not a commitment to enter into an agreement by either party. A final approval will be required upon selecting a final equipment package. Pre-approvals are subject to no material adverse change in your personal or business financial condition, credit standing and/or good standing status with the applicable Secretary of State.

Procedure

- Complete the enclosed application (on reverse or at www.beaconfunding.com). At the top of the page, indicate that you would like to get pre-approved for equipment.
- Fax application and equipment quote to your financing consultant (see below). Alternatively, you can call your financing consultant, or submit your application online.
- You can expect a response from your Beacon financing consultant containing the information listed above within 24-48 hours.
- Shop for your equipment with the confidence of knowing what you can afford!
