Beacon Funding unveils New Hampshire office

Northbrook, IL, December 8, 2014 — Beacon Funding is proud to announce the opening of a new office location in Dover, New Hampshire. The expansion comes thanks to Beacon's status as an emerging commercial vehicle financing specialist combined with their exceptional activity in the region's tow, boom & bucket truck markets.

Beacon's latest location is a direct representation of a rapidly growing customer base across its traditional equipment markets as well as emerging trailer, tow truck, and boom truck markets. To meet customer needs without sacrificing service to previous clients, the New Hampshire-based sales consultants will primarily focus on these emerging markets.

With its corporate headquarters in Northbrook, IL, offices in Marlborough, MA, Peachtree City, GA, and Fort Worth, TX, and employees in Niles, IL, and Tacoma, WA, Beacon is ready to answer the needs of clients and dealers better than ever before.

"A presence in New Hampshire allows Beacon to better serve business owners and equipment dealers on the East Coast with targeted and personalized financing programs," says Toby McDonough, VP, Sales & Marketing. "With the new office we'll be able to provide the same equipment leasing expertise and knowledge our clients have come to expect along with even quicker access and turnaround time across the United States to companies with immediate need for our equipment financing solutions."

With the New Hampshire opening, Beacon welcomed four seasoned financing and leasing consultants with more than ten years of experience each: Justin Dearborn, Brian Friedly, Donald Seeley, and Jeremy Tsakiris.

Justin Dearborn served as Senior Finance Manager for 12 years at Direct Capital. Brian Friedly has 12 years of experience in financing with experience at Direct Capital, Balboa Capital and Ascentium Capital. Donald Seeley served as Senior Finance Manager for Direct Capital before coming to Beacon Funding, amassing over 12 years of experience. Jeremy Tsakiris was most recently a Senior Loan Officer with Blue Water Mortgage Corporation. Prior to that, he served as Senior Business Development Manager for Direct Capital for 13 years.
