

Brett's Towing & Repair Wins NASCAR Giveaway through Tow Truck Financing with Beacon Funding

Northbrook, IL, August 12, 2016— Beacon Funding proudly recognizes Brett's Towing & Repair in Napoleon, OH, as winners of the Beacon Race Giveaway, which included tickets to NASCAR weekend races in Talladega, AL.

Brett's Towing entered into the drawing after submitting a financing application during the giveaway February 10 - March 15 2016. As part of the package, Brett's Towing also received a free video shoot showcasing their trucks and sharing their experience in Talladega. The Beacon Race Giveaway prize package included three-night hotel accommodations, tickets to the Sprint Cup Series GEICO 500 race, tickets to the Xfinity Series race, motor coach transportation, souvenir swag, and a \$500 Visa gift card.

"Seeing Talladega live was incredible," Deb Benien, Manager of Brett's Towing, says. "We couldn't ask for better seats."

Brett's Towing was a valuable customer before being entered into the drawing. They have financed three tow trucks with Beacon Funding, including one flatbed tow truck, one light duty wrecker, and one heavy duty wrecker.

"I would definitely recommend Beacon for others starting a towing business," Allan Benien, owner of Brett's Towing, says. "With us being a startup company, they were able to help us with the financing of one of our first trucks. They even pointed us in the right direction for new equipment, as well."

As an Agero Service Provider, Brett's Towing found out about Beacon Funding through the recommendation via Beacon's Agero Truck Financing Perks. Agero Truck Financing Perks is a program provided by Beacon Funding and Agero that helps Agero providers get perks like Visa Prepaid cards when financing trucks through any of Beacon Funding's beneficial equipment financing programs.
